Coleman's Going Out Business Here; Old Firm Spans 37 Years Colorful History

Coleman's Furniture and Hardware Store is going out of business.

The announcement of James L. Coleman, owner of the big store, that he is engaging in business in another Texas city, comes to thousands in the trade territory as a regrettable development in the changing fortunes of business.

Mr. Coleman, this week, announces a sell out of the stocks of the big store, together with all fixtures. Seldom in the city's history have buying opportunities been better than during this sale. So low are prices that dealers are invited in, but the individual buyer will have as great if not greater opportunities.

Mr. Coleman has purchased the Walker Furniture Company in Bay City and its building and site. Like the store in Cameron, this old business in Bay City, is well established, in fact has been in operation for 47 years.

Mr. Coleman will spend as much time there as he can spare from the sale of the merchandise and store fixtures here. His family will remain in Cameron until about January first.

The closing out of the store here will require several weeks. The Coleman store with its background of Cameron merchandising history has played a prominent role in the progress of the city.

This business was established in 1912 as the Coleman Furniture Company by the late J. W. Coleman and J. Dow Eplen. That was almost 40 years ago. Following the death of Mr. Coleman in 1934 James L. Coleman, present owner and son of the founder, took over the business and Mr. Eplen left the firm to establish his own furniture store.

For 15 years Mr. Coleman has operated the business and with success in every way. His decision to enter business in Bay City is a natural resolve for a young man who recognizes his opportunities.

Dissolving ties of a lifetime are not compensated by improving one's business opportunities and no one recognizes this any more than Mr. Coleman for he said: "It is not easy to leave the city of Cameron and friends of a life time. Somehow when I think of quitting business here, it brings a little sadness and much regret. We will always have a peculiar and tender feeling for Cameron and the customers over the territory who have been with us for so long."

Threads run thick and deep in human associations and friendships. Mr. Coleman was delighted to find that Ed Slater, 71, is now living in Bay City. For 13 years the late J. W. Coleman was engaged in the blacksmithing business in Cameron and associated with him was Mr. Slater, a spicy individual who has lost none of his rugged individualism and has lived to become one of the prominent citizens of Bay City. After the shop was closed here Mr. Coleman and Mr. Slater went to Yarrellton and there in the farming section operated a general blacksmithing business. In 1912 Mr. Coleman came to Cameron and established the Coleman Furniture Company.

To make the story more interesting to people here Mr. Coleman discloses that Mrs. Mittie Lou James, daughter of Mr. Slater, will head the sales force in his Bay City store.

FUNERAL SERVICES FOR E. DENKER TUESDAY

E. Denker, 86, for over 50 years a resident of Milam County, died at the Newton Memorial Hospital Saturday at 9 p. m. October 29 after an illness of ten days. He had been under the care of a doctor for several months.

He was born on February 9, 1863 in Oldenburg, Germany. In 1881 at the age of 18 he came to Texas with his parents where they settled at Round Top, Fayette County where they engaged in farming. He was married to Miss Sophia Dippel in 1885 who died in 1887 leaving an infant daughter.

In 1887 he moved to Milam County together with his parents settling near the present town of Sharp where he engeged in farming and stock raising.

In 1891 he was married a second time to Miss Minna Vass from near Rockdale.

Twenty years ago he retired from the farm moving to Cameron where

Rev. J. P. Love Says Herald Brings Good News Of Old Friends

Publishers are pleased to have letters from Rev. J. P. Love, at Crestwood, Kentucky where he spends his days in retirement from the Episcopal ministry.

Rev. Love better known to his friends and Rotarians as Parker Love, was former Rector of All Saints Episcopal Church in Cameron. He played a prominent role in civic affairs.

Rev. Love says in part: "I look forward to every issue. The Herald Keeps me posted about by old friends whom I have in mind every day. In fact in my retirement I often live over my wonderful experiences in Milam county."

Rev. and Mrs. Love celebrated their Golden Wedding Anniversary in August.

Rogers Flyer Dead In Army Plane Crash At San Antonio

SAN ANTONIO, Oct. 31 —Two dog-fighting trainer planes collided in flight near here today, killing four Randolph air force base fliers.

Two farmers watched in horror as the low-flying planes zoomed together and brought quick, fiery death to their occupants. The charred bodies were unrecognizable. Names of the victims were not immediately released by the San Antonio base.

The spectacular crash occured 10 miles southeast of Randolph field.

Jesse Barr, a witness, said he was plowing when the accident occured. He unhitched his tractor from the plow and chugged away—fearful that one of the planes would hit him.

George Tudhope, another witness said: "They were just dog-fighting too low. The collision happened about 800 to 1,000 feet in the air."

ROGERS, Oct. 31 — One of the fliers killed in the plane collision near San Antonio today was Second Lt. Lovick P. Moore, Jr., 21, of Rogers, it was learned here tonight.

Survivors are his parents, Mr. and Mrs. L. P. Moore, Sr., and one sister, Miss Mary Love Moore, all of Rogers.

Funeral services, which will be held here, are pending.

Lt. L. P. Moore And Miss Helen Reichert Were to Be Married In Cameron Saturday

Lt. L. P. Moore, 21 year old pilot of a fighter plane, who was killed near San Antonio late Monday, and Miss Helen Reichert of Cameron were to be married here Saturday, November 5.

Their engagement and approaching marriage was announced by Mr. and Mrs. Rufus Reichert recently. The wedding was to have taken place at the Presbyterian Manse in Cameron, the ceremony to be performed by Dr. W. R. Hall, minister.

Lt. Moore was a native of Rogers, member of a prominent pioneer family. The crushing tragedy had fallen upon the hearts of many here.

Mrs. W. A. Robinson Injured In Mishap

Mrs. W. A. Robinson is resting well in St. Edwards Hospital following injuries sustained in a car mishap.

Mrs. Robinson was returning home from the city when her car engine failed. As she got the car started again it went out of control and into a ditch. She sustained a fractured rib and vertibrae.

Mrs. Robinson is the mother of W. A. L. Robinson, prominent Cameron business man.

W. M. Thornton Dean Austin Newspaper Men, Is Dead

W. M. Thornton, dean of newspaper men at the capitol at Austin, and correspondent for the Dallas News, died from a heart attack late Monday night.

Thornton had been with The News since 1899, having succeeded his father as correspondent at Austin.

He left his office in the capitol Monday afternoon and was in good spirits. Late in the night he awoke and complained of a pain. A physician was summoned but he was dead within a few moments.

In Brazil the dollar mark is used for a decimal point.

HANNAH LIU

BELTON—Beauty knows no nationality at Mary Hardin-Baylor College.

Hannah Liu, Chinese freshman, was recently elected one of the five most beautiful girls in her class.

A native of Canton, Miss Liu sailed from Hong Kong June 3 and arrived in Belton just after the last firecracker boomed July the Fourth.

She is studying education and hopes to return to China as a teacher.

ROBBED AND LEFT FOR DEAD NEAR ELM CREEK

George Tabor, 40 year old resident of Midland, was beaten, robbed and left for dead in a ditch near Elm Creek bridge on Highway 77 around 9:30 p. m. Wednesday, by two men he had picked up in Brenham.

Tabor, after regaining consciousness, staggered up to the highway and was found by E. E. Williford, B Coach at Yoe High School, who was returning to Cameron. The wounded man was taken to the county jail and later Deputy Sheriff Douglas Barron drove him to St. Edwards hospital.

Tabor had been severely beaten about the head and face. He said the men took him from his car, beat him, tied his shirt over his mouth and head, threw him in a ditch and left him for dead.

The men took his 1940 Chevrolet car, boots, hat, watch, shirt and something over $10 in money and drove away. A statewide broadcast was being made Thursday for their capture. Wednesday night the robbery was communicated to state headquarters of the Department of Public Safety and Jack Higginbotham, local Highway Patrolman, had the police broadcast a description of the men.

Tabor told the officers that both were young men, between the ages of 18 and 21, he would judge. Both wore blue shirts and one had on a sweater beneath his shirt. One was tall and weighs about 175 pounds and the other medium height, weighing about 140 pounds and has brown, curly hair, wearing no coat.

Tabor was on his way home to Midland after attending the funeral of his wife in Houston who was killed when run over by a car in that city. He said the men asked him for a ride and he took them in his car and headed north. They passed through Cameron a few minutes after 9 p. m. and on the highway north of the City the men attacked him.

Officers here were without information and are admitting the possibility the robbers may be escaped convicts.

A statewide search was on and Tabor was resting well in the hospital here and will recover.

ESCAPEE IDENTIFIED BY BEATEN MAN HERE

James H. Mitchell, 20 year old escaped convict, was identified here late Wednesday by George Tabor of Midland who was beaten and left for dead on the highway near Elm Creek Wednesday night.

The wounded man, in St. Edwards Hospital here, was shown a photo of the convict and said he was one of the men who had beaten and robbed him and left him for dead in a ditch.

Mitchell escaped early this week from a prison farm near Houston. The second man being sought in the beating and robbery has not been identified.

Tabor, 54, had been in Houston to attend the funeral of his wife. His home is in Midland. He picked up

55 DIE IN AIR PLANE CRASH

COLDER WEATHER IS THE FORECAST

BALLOTS ARE READY

WORST AIR DISASTER IN HISTORY NATION

WASHINGTON, Nov. 1— While an airport radio man frantically tried to keep them apart, a giant passenger plane and a Bolivian fighter rammed together today killing 55 persons in the worst airline disaster in history.

There was only one survivor, and he was badly injured.

He is Erick Rios Bridoux, 28, director of the Bolivian air force and pilot of the fighter plane.

All 51 passengers and four crew members of the Eastern Air lines DC-4—bound from Boston to New Orleans—are presumed to have perished in the crash, although only about half the bodies have been recovered.

A congressman, a former congressman, a well known cartoonist and other notables were on the plane.

The crash occured about 300 feet in the air as both the fighter and the airliner tried to land in Washington's busy national airport at the same time.

Glen D. Tigner, traffic controller at the airport, said the radio man made urgent attempts to get the Bolivian plane to turn aside, but this failed.

Then an effort was made to get the big airliner to swerve. This came too late.

The two crafts hit, and the big plane plunged into the bank of the Potomac river spewing bodies into the water as well as on the land. The fighter plane hit the water.

Tonight rescue workers were busy dredging the Potomac, trying to find the missing.

Thirty-three bodies had been recovered seven hours after the crash.

(turn to page twelve)

Earl Morton Back In Jail Here

Earl Morton, 34, ex-convict who escaped jail here on September 8, is back in the Milam county jail.

Morton was returned here late Friday from Phoenix, Arizona where he had been taken into custody on information furnished by the sheriff here.

Morton is being held on a burglary charge. He entered the home of Milton Pierce and made away with $21.00 which was later recovered. Morton is facing burglary charges in Arizona where he robbed a drug store.

Mrs. Black accompanied the sheriff. They left Cameron Monday and arrived home Friday.

Stanley Vaculin Buys Humble Station

Stanley Vaculin has purchased the Humble Service Station at 706 West 8th Street in Santa Fe town from George Tepera.

Mr. Vaculin is an experienced station operator, having spent three years with another station here. He is a war veteran with 32 months in the Southwest Pacific.

Friends over the territory will be glad to know that Mr. Vaculin has entered business for himself.

Cameron Had Low of 42 Degrees Monday

Cameron had a low temperature of 42 degrees Monday morning, it was reported by L. W. Smith at the Community Public Service Company.

The high Sunday was 82 degrees and the low Sunday night was 48 degrees.

Coldest weather of the year was due for Tuesday morning with freezing in some portions of the panhandle already reported Monday. If the north winds subside the first frost of the year may come.

Mr. and Mrs. R. L. Storey spent the past week end in Houston with their children; Raymond and W. W. Storey, and Mrs. Gladys Holley and Mrs. Dorothy Hildebrandt.

FREEZING WEATHER IN PANHANDLE DUE

Look for colder weather by Thursday.

North winds at 18 miles an hour were blowing in North Texas at noon Wednesday as a new cold mass seeped through the Rocky Mountains into the southwest.

The lowest temperature in Texas Wednesday morning was at Dalhart, 33 degrees. A low of 30 or lower was forecast for portion of the Panhandle and north plains Thursday.

Just how the new thrust of winter will affect the central Texas area was not plain, although east Texas would be colder by Thursday. The barometer was falling slghtly. The humidity was reduced to 37, very dry.

Coming on the heels of 35 degree temperatures here Tuesday morning any additional cold air will make for very pleasant weather. Indian Summer was in the air in most parts of Texas Wednesday. If the expected colder weather arrives it will be dry. No rain fell anywhere in the state Tuesday.

Cameron Seed Will Open New Building Saturday, November 5

Cameron Seed will formally open its new building in Santa Fe town Saturday, November 5, it was announced to-day by Walter H. Lester, Owner.

The new, modern building, has been under construction for several months and recently all stocks from the old location across the street were moved in to the new building in preparation for the formal opening Saturday.

Mr. Lester is observing a double event in this opening. It is his third anniversary in business as well as marking great progress in the construction of his new business home.

The formal opening Saturday will be heightened by prize awards at 4 p. m. Door prizes will be given and each one who visits the store on opening day will get a special award from Mr. Lester.

Cameron Seed has grown in size and service and is one of the most important business concerns in the city.

YOEMEN TO BELTON FOR GAME FRIDAY

Facing the crucial home stretch in the 21-A pennant race the Yoemen were going about the job in top spirit so reports Coach Paul Smith.

The Yoemen had a week off last week and even though the rest was tempting, they still wanted to work and they did work. This week they have been polishing up on Belton plays and making their defense as air tight as possible but were not overlooking an improved offense. The Yoemen have been getting better every week since they lost their first game to Caldwell.

Meanwhile the Yoemen Fans were suffering some from overwrought nerves. They are much older at this sort of thing for they have faced Belton for many a season. In the long history of the conference and long before it began Belton and Cameron were fierce rivals every fall. If we got by Belton we would always count it a good season and it is still that way. There wasn't much to encourage Cameron fans in the old days.

In recent years Cameron has fared better, but the Belton Tigers right now are rated the most improved team in the loop and are still quite a factor despite the fact they have lost 2 games.

On Friday night Taylor and Georgetown play. Killeen goes off to McGregor and Rosebud has a night off.

Tickets were on sale at the Cham-

(turn to page twelve)

SUPPLIES GOING OUT FOR BALLOT TUESDAY

Ten proposed amendments to the Constitution will be voted on Tuesday.

In addition the people of the 11th Congressional District will vote on a member for the State Board of Education.

Because of a state wide revolt against some of the proposed amendments, a heavy vote may be expected for such elections. As a usual thing people do not turn out in great numbers to vote on changes in their constitution. This time it may be different.

The number of proposed changes and the fact that some of them are self enacting, plus the revolutionary nature of so many of them, gives the election Tuesday more signigicance than the usual tail end ballot vote in general election years on amendments.

Early Wednesday morning election managers in the voting precincts of the county were in a meeting with Judge Dan Tyson and County Clerk, Homer Nabours, polishing up on proceedure and getting information on the new ballot system.

There is general opposition to the amendment proposing to raise the pay of members of the Legislature and providing for a continuous session at Austin. This proposal is No. 2 on the ballot.

Some opposition has developed to No. 4 on the ballot. This relates to a proposal to abolish the poll tax and since it does not exempt aged people who have passed the paying stage, many will vote against it. The amendment would provide for registration but imposes a fee.

No. 9 on the ballot has come in for some opposition as well. This, it seems, may have far reaching consequences, since it proposes to abolish juries in the trial of lunacy cases. Many people do not wish to see any encroachment on the jury system. Some have said that such a change might lead to star chamber proceedings and folks hustled off to the insane asylums on flimsy pretexts. In any case it is a serious thing to abolish jury service.

No. 10 the last on the ballot would make women eligible for jury service. This too is a controversial proposal and some are opposing it. Advocates look upon this as further liberation of women and they say will have wholesome effect on law enforcement.

Other proposals are negligible in their importance and have not caused any comment. Whether they are voted or not would seem to affect the welfare of the people very little.

School Leaders Enter Fight To Elect March To Education Board

School leaders in the 11th Congressional District are opposing the candidacy of Leslie Huff for a place on the State Board of Education and are urging the voters to write in the name of Caso March of Waco.

Ernest H. Moore, Superintendent of Schools at Troy in Bell county, was in Cameron Tuesday. Like all educational leaders in the school districts of the state, he visualizes need for revenue and says that schools are facing disaster under the Gilmer-Akin law if more money is not made available.

Mr. Moore predicts that schools will have a 40 per cent deficit by the end of the year. The candidacy of Huff is opposed on the grounds that he voted to abolish county school boards and the office of County Superintendent; because he sought to abolish all independent School Districts with less than 750 daily attendance and that would mean few districts would be left in the county; that Huff sought to determine the amount of taxes to be collected by the so called Economic Index which in reality placed no limit on taxes; that Huff sought to have set up in

(turn to page twelve)

BELTON TIPPED OUT CONFERENCE RUNNING

TAYLOR, Oct. 28—The Taylor Ducks reversed the predictions here tonight as they downed the Belton Tigers 19-13 and shoved the Tigers out of the District 11-A running.

Belton threatened a number of times but failed to find the needed scoring punch when it was needed most while Taylor took to the air for its win.

The Boren brothers, Royce and Wesley, teamed to give the Belton eleven plenty of power on the ground but fumbles and penalties and a tight Taylor line held them in check most of the way.

Belton's first scoring thrust came in the first quarter as Royce Boren paced the ground drive of the Bell county boys as they moved to Taylor's four-yard line but a penalty killed their scoring chances.

The Tigers threatened again early in the second quarter when Royce Boren punted to Taylor's 25-yard line but on the second play Bill Southerland covered a Duck fumble. Boren moved the ball to the 13-yard line on a series of plays but Dickey Moggie intercepted a Belton pass to stop the drive.

Taylor punted short out of the side as the ball was downed on their own 25-yard line. Then Wesley Boren weighing in at 200 pounds plus, carried for six straight plays and went over from the 16-yard line for the touchdown. The try for extra point by Dick Jones was no good.

The Ducks started their passing attack and Moses Buzan hit A. C. Talley with a pass which carried 48 yards and he went the other needed 22 yards for the score. Talley failed to kick the extra point.

It didn't take Taylor long to score again as Belton fumbled the kickoff and Taylor took over on Belton's 35-yard line. This time it was Buzan passing to Talley on the first play for a TD.

Belton came blazing back to start the second half and Billy Miller pounced on a fumbled kickoff on Taylor's 22-yard line. Wesley Boren carried to the five-yard line and then took a handoff from Bill Hays to score on the next play. Miller kicked the extra point.

The winning touchdown came in the last quarter after Belton moved the ball to Taylor's 37-yard line on a pass from Hays to Miller but the Tigers bogged down at that point.

Talley, Clyde Clemmer and Buzan alternated in moving the ball to Belton's six-yard line where Talley went off tackle for the score and then missed the extra point.

Belton chalked up 13 first downs to Taylor's eight in the game.

Tom Maples and Allen Cook were Belton's standouts in the line while Clemmer led the Ducks.

Mr. and Mrs. Choice Baker are the happy parents of a son born Thursday, October 27 at St. Edwards Hospital. The baby weighed nine pounds and 13 ounces, and has been named Wilford Lee.

The years that were STOLEN in the night...

The result of six-days-a-week toil for twelve long years was hidden away in a tin box in the back corner of a dark closet. The thief who stole the tin box left tears and heartache in its place.

Twelve years were lost in a night. And this is the kind of a tragic story we read of every day.

Hard-working people suffer this needless, useless loss—because they don't avail themselves of an *absolutely safe* way of saving....and earning money.

That way is buying U.S. Savings Bonds, wherein your money is not only safe from fire, theft and loss—but it actually makes money—$4 for every $3 you invest, when the bonds mature!

Just think for a moment of these undeniable advantages, and sign up for the Payroll Savings Plan.

You simply set aside an agreed amount for each paycheck, and from then on it's safe from loss of any kind. Or, if you're self-employed and have a checking account, sign up for the Bond-A-Month Plan at your bank. It is equally convenient, equally safe.

Join tomorrow . . . and be sure of all your tomorrows.

Automatic saving is sure saving-

POULTRY LEADERS IN TOUR TURKEY FARMS

By J. D. MOORE,
County Agent

Soon after school started at Texas A&M College this fall, Professor Ross Sherwood requested the Milam County Turkey Growers to arrange a field trip for his class studying Turkey Management. This request could be considered a compliment to the turkey prgram in Milam County. Last Thursday, October 27, at 7 a. m. Mr. Sherwood and his class arrived in Cameron to have breakfast at the Corner Cafe. George Draper, R. O. P. Turkey Supervisor for Texas, Mr. F. Z. Beanblossom, Marketing Specialist, and Mr. S. L. Neal, District Extension Agent, accompanied the group from College. At Cameron, L. G. Smith, Chamber of Commerce Secretary, C. G. Muston and several others interested in turkeys also joined the group.

At 8 o'clock, the group visited the Ideal Hatchery. Mr. Leo Fuchs discussed Incubation and handling of turkey eggs and the hatching of poults together with a discussion on the method of working with the supply flock owner.

The next stop was made at F. W. Vogelsang's, R. O. P. Turkey Breeding farm near Cameron. He told of trapnesting four pens of turkeys from which he pedigreed poults. In all, he has 675 turkey breeders this last season. He sold 70 eggs per hen from these breeders. His method of handling breeders accounted for this high egg production. He explained his method of breaking up broody hens. He told of his troubles with the breeding toms and the method of handling them. Mr. Vogelsang always raises his breeders late. He now has a flock of several hundred late June hatch turkeys he is raising for breeders. He lights his breeding pens during the breeding season.

A commercial flock was then visited at the O. G. Tumlinson farm. He purchased 1066 tom poults and raised them on open field pasture. These poults were 7 weeks of age when he got them and he raised 918 of them. Coyotes or dogs killed 58 of the 148, the total lost, within a short time. Mr. Tomlinson fed a 36 per cent concentrate along with a lot of oats and grain. The feed was grasshoppers and plenty of green grass and weed seeds. This tom flock is a beautiful sight to see. This was Mr. Tumlinson's first experience with turkeys.

As an example of large flock turkey management, the group next visited the Evans-Wortham Farm with C. Z. Angel, Manager. They purchased several thousand poults at six weeks of age. A large barn was made into a brooder and hardenhouse. Wire floors were used in the brooder. Runs were provided for the birds in the hardening pens. After the birds were feathered and were large enough for the range, they were moved to the pasture and field range. At the time of this trip, the toms had been sold. Two large pens of hen turkeys were shown. Mr. Angel feeds commercial feed along with a lot of oats. The turkeys are also ranged on grasshopper fields. This is also Mr. Angel's first experience with turkeys.

Incubation of turkey eggs, method of starting and brooding, poults, fertility and hatchability, and disease control were discussed at the D. C. Drummonds farm, R. O. P. Turkey Breeder in the Tracy Community. Mr. Drummonds used 970 breeder hens last season, sold 60 eggs per hen. He broods his poults for 7 days in a battery brooder and then moves them to brooder houses that are equipped with sun porches. Mr. Drummonds is the oldest R. O. P. breeder in the County and one of the first to raise turkeys on a large scale. He raises around 2000 turkeys each year. All of his turkeys are pedigreed birds. He uses commercial feed and grain during the growing season and a complete breeder ration during the hatching season.

The noon meal was good at Holley's in Rockdale.

After lunch, the group visited the Market Produce Company in Rockdale, Texas. Mr. Martin Peters is manager. Before the group entered the plant, Mr. Beanblossom gave some pointers on the proper methods of killing and dressing of turkeys. The group was welcomed by the Manager, and shown through the plant. Thousands of Texas Broad Breasted Turkeys were being dressed and marketed through this up-to-date dressing plant at Rockdale. They have been dressing turkeys for about two months. They like the quality of the Broad Brested turkeys they are receiving—the old type native turkeys are out of the picture.

Milam County is fast becoming one of the leading turkey producing counties in Texas. This tour was arranged by Mr. Leo Fuchs, Chairman of the Poultry and Turkey work at Cameron, and J. D. Moore, Milam County Agent.

Guests in the home of Mrs. Sallie Cook for the past week end were her brother, A. J. Wendt of Brenham and two nieces; Mrs. Mary Draeger and Mr. and Mrs. Lesley McNeil of Houston.

Snowhite Laundry Observes First Year With Employe Party

Celebrating its first anniversary Snowhite Laundry provided the inspiration for a fine social courtesy by Mr. and Mrs. Ray Lester Tuesday night when they entertained for the employes.

The party in traditional Halloween color was staged at Hilltop Tavern.

Ray Lester established the laundry a year ago, giving Cameron a modern plant and since has added a dry cleaning section.

Employes of the laundry have had a large share in the success of the plant and Mr. and Mrs. Lester have shown their appreciation in this entertainment.

The plant of the laundry was first opened for business in October of 1948.

As the employes and guests arrived they were presented with Halloween mementos. Mr. and Mrs. Lester provided a barbecued chicken supper.

Employes of the laundry gave Mr. and Mrs. Lester a bronze hearthstone set for their newly acquired home in the Green addition.

Mr. and Mrs. Billy Newton and son and Mr. and Mrs. Owen Stidham and son all of Austin and Mrs. John Lane Baskin from Rochester, Minn., spent the past week end in Cameron with their parents, Mr. and Mrs. Grady Stidham and other relatives and friends. While they visited in the home of Mrs. B. F. Stidham mother of Grady Stidham at Jones Prairie.

MORE TAXES IS NEED SAYS THE GOVERNOR

EL PASO, Oct. 26 — Gov. Allan Shivers sai dtoday the state needed more money for charitable institutions and he favored raising it by an omnibus tax bill to spread a tax increase over a wide base.

Shivers addressed a rural electrification co-op meeting with representatives from Texas, New Mexico and Arizona.

He said that he opposed new or increased taxes for the co-ops.

In an interview before the address he said a special session of the Texas legislature in January will consider funds for the state's charitable institutions.

As for his political plans, he said what he has said before—"I will run for governor. I have made no formal announcement yet, but I will be a candidate."

In his address he said he could not forsee necessity of state regulation of power rates paid by farmers and ranchers who have banned together in an electric co-op.

Shivers said the argument had been advanced that because the REA is big business in Texas and getting bigger, it should have to pay more taxes.

"Insofar as the state of Texas is concerned, I know of no advantage that is now being enjoyed by the REA's. Each REA pays a franchise tax of $10; other private corporations pay according to the amount of capital invested in the business," Shivers said.

"But these other corporations are organized to make a profit so they can pay dividends to their stockholders. By requirement of the constitution, the rural electric cooperatives pay ad valorem taxes just as do other private corporations."

Mr. and Mrs. Albert Sebesta visited in Huntsville Monday.

Frank Rubac of Buckholts was in Cameron Friday and renewed his subscription to the Cameron Herald for a year.

L. C. Angell and Cecil Laywell, both of Houston were visitors in Cameron during last week end.

BLACK PANTHERS KEEP CONFERENCE LEAD

ROSEBUD— Oct. 28—The black-shirted Panthers of Rosebud mussolinied the Killeen Kangaroos here tonight 22-6, in a game that revealed Rosebud's offensive punch to a homecoming crowd of 3,000 persons .

Big, All-District Bill Davis, a 170-pound fullback, was pretty well bottled by a Killeen defense alerted for him. But the Kangaroos weren't ready for Rich Schigut, a scatback, and Tommy Sanders, another fleet runner.

Rosebud made 10 first downs to Killeen's five.

Killeen defensive practice stood the boys in good stead several times, but even with Romain Stublefield, Wallace Wilson and John Farmer putting up a stout show, the Panther offense was too much.

At the half and during the homecoming ceremonies Marjorie Cunningham was crowned queen and given a football blanket while the Rosebud band formed a crown as a background

Rosebud drew first blood after the game was only a couple of minutes old. Killeen had kicked to Davis who was hit hard and fumbled. Gene Lovern recovered for Killeen on the Rosebud 35, but the nit was Killeen's turn and the Kangaroos fumbled on the Rosebud 29 and the Panthers picked it up. Rosebud ran for two first with Davis and Sanders doing most of the work, when Davis took the ball over from the 18 yard line for the first counter. He kicked the goal to make the score 7-0 in favor of Rosebud.

It was only a few minutes later that Coach Glenn Lowe's boys counted again as the result of a blocked punt. James Stringer was back to kick for Killeen and Gerald Heck, a stalwart on defense for the Panthers, broke through and blocked it. Tappmann, an end, took the ball and went over for the touchdown from the 18. Davis failed to covert and left the score at 13-0 for Rosebud.

The field was dry, except for the dew but both teams preferred to stay on the ground.

With a few minutes to play in the first half Davis tossed a pass to Sanders in the flat—the same play Rosebud used against Taylor—and, with some terrific blocking, Sanders covered the 37 yards to the double stripe. Davis converted and the score was 20-0.

Just as the quarter ended, Heck recovered a Killeen fumble on the Killeen 40.

In the third period it was quiet again, but Killeen had come back from Coach Les Buckley's halftime talk with renewed vigor and knocked at the Rosebud goal line. It wouldn't open.

In the final period Killeen fumbled and Richard Ellison recovered for the Panthers on his own 2. Davis punted out to the Rosebud 30. Jack Barnes ran for no gain. Billy Gibbs, picked up a yard. Stringer took it for four to the Rosebud 25. Then Barnes tossed a pass to Bill Schick for a touchdown, Killeen's only counter. Barnes conversion try was no good. The score stood at 26-6 with Rosebud still leading.

Near the end of the contest Davis punted down to the Killeen 1 where the Kangaroos let the ball die. Stringer dropped back deep in the end zone to punt out, but Heck rushed through the line and blocked the kick for Roseud's safety and final two points.

Killeen got a free kick from the 20 and the game resumed, but it ended four minutes later with Rosebud in possession of the ball on its own 40 yard line.

HEADS ARE FALLING IN REPRISAL OVER UNITY

WASHINGTON, Oct. 27—Admiral Louis E. Denfeld, who charged that the navy's offensive power was being ruined under the unified defense setup, was fired today by President Truman from his post as the nation's top admiral.

Mr. Truman told his news conference he was ousting Denfeld as chief of naval operations on the advice of Secretary of the Navy Matthews that it was vital "for the good of the country."

Matthews said in a letter to the President:

"A military establismhent is not a political democracy. Integrity of command is indispensable at all times.

"There can be no twilight zone in the measure of loyalty to superiors and respect for authority existing between various official ranks. Inability to conform to such requirements for military stability would disqualify any of us from positions subordinate to the commander-in-chief."

Mr. Truman told reporters he did not know whether Denfeld would accept transfer to other duties or resign. Denfeld had no immediate statement.

The removal came even as some congress members demanded that the admiral not be "purged."

Senator Kefauver (D-Tenn) said he "regretted" the action, and Rep. Sasscer (D-Md) called Denfeld's removal "a setback to unification."

But Rep. Kilday (D-Tex) said Denfeld has challenged civilian control of the armed services and has impaired his usefulness.

Navy advocates of strong naval power took another blow earlier in the day when the Defense department headed by Secretary of Defense Johnson, announced plans to slash about 11 percent of the navy's manpower.

The cutback in navy strength, sweeping out 54,891 of the present 516,000 officers and men, will be completed by next June.

Mr. Truman declined to comment on reports that Vice Admiral Forrest Sherman, commander of the sixth U. S. task fleet in the Mediterranean, will succeed Denfeld. Sherman was reported en route to Washington to take over the key post.

Masonic Degree Team Visits Waco Lodge

Masonic Degree team composed of 30 members from San Andres Lodge here were in Waco Tuesday night to confer a degree.

Preceeding the lodge session the local Masons were entertained with a supper in the Shrine hall.

It was the first visit of the team here to Waco and Lodge officials there were loud in their praise of the local team. The degree team was organized here in 1948 and has been very successful, completing a number of engagements by invitation to confer degrees in lodges in this area.

Mr. and Mrs. L. M. Williams of Jackson, Michigan are visiting in the home of Mrs. Agnes Lowe this week. Mr. Williams is a brother of Mrs. Lowe. They visited in the home of another sister. Mrs. C. J. Sutter in Fort Worth.

GOVERNMENT ACTION SEEN IN DISPUTES

Spreading industrial disorder brought on by the coal and steel strikes were believed certain to lead to government intervention. There were conflicting reports in Washington on whether President Truman plans to intervene in the strikes. A Cabinet official said that the president will step in if the strikes are not ended this week. Later it was said that the President had set no deadline on the desire to end the strikes, but nowhere was it denied he contemplates some official action.

In case the President is unable to force a settlement by the prestige of his high office by calling in heads of labor and steel and coal, he would have to resort to the Taft-Hartley law which he is pledged to repeal.

The Taft-Hartley law provides for court injunction to end strikes.

Meanwhile 10 thousand dock workers from Lake Charles, Louisiana to Galveston on the Texas coastline will go out on strike at 12:01 next Tuesday.

As an alternative to use of the Taft-Hartley bill the President could use his power as "Commander in Chief" and seize the industries and call workers back as employes of the government.

The Power that made Buick Famous

IF you want to know what's "the newest thing" in automobile engines, look at the Buick engine pictured here, and you'll see the words "valve-in-head."

But it happens that this isn't new with Buick. As a matter of fact, the valve-in-head engine was invented back in 1902—U. S. Patent No. 771095—and immediately, Buick adopted the principle, which became the first in a long string of "Buick firsts."

Not everyone went for the idea—then. In spite of the fact that this engine "breathes" more freely—gets fuel in and exhaust gases out more easily—others hung onto their pet ideas.

Then came the airplane, with its need for maximum power from every drop of fuel—and every maker of internal combustion airplane engines adopted the valve-in-head principle.

And more recently—with the hope that higher-octane fuels will become available—a lot of automotive engine designers are taking a new look at the valve-in-head idea.

But just for the record, we'd like to point out that Buick got there first.

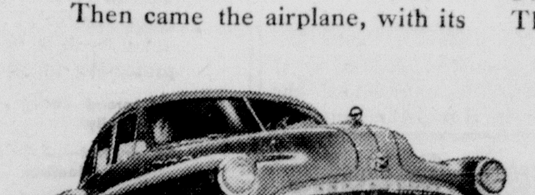
And ever since, Buick has gone steadily ahead, building up a name as "valve-in-headquarters." Buick engineers reshaped pistons to put Fireball wallop in these engines. They stepped up compression ratios as fast as better fuels came along.

So perhaps you'll want to remember, when you hear the term "valve-in-head," that *this is the type of power that made Buick famous.*

If others want to climb on the bandwagon, we say "more power to them"—and no pun is intended.

But Buick has been doing more with valve-in-head right from the start.

And—we might add—it stands to reason that Buick is not through making this type of engine better and better.



MORE CLEARLY THAN EVER

Had RHEUMATISM So BAD That He Had To Quit Working*

*Caused by dietary deficiency.

Mr. Jerry Watkins, chief of detectives of the city of Hot Springs, Arkansas, suffered with rheumatism so much and the aches and pains were so terrible that he had to quit working in an effort to regain his health after he had tried everything which his friends recommended.

Detective Watkins is well known and his countless number of friends throughout the country will rejoice to know that he is now healthy, free of rheumatic aches and pains and now working hard.

Mr. Jerry Watkins

"For several years," Mr. Watkins says, "I suffered from a rheumatic condition in the hip and leg. I was very nervous and finally developed migraine headaches. I tried all kinds of medicines but nothing seemed to do me any good. I seemed to be growing worse and worse and was finally advised to take a leave of absence from my work on the police force in an effort to recover my health."

"The pains in my head sometimes were unbearable. I suffered tortures and I was miserable. At night particularly I lay awake and could not sleep."

Mr. Watkins said that someone finally persuaded him to try HADACOL, and after taking the first bottle he said he could see an improvement in his general condition.

"On January 14th of this year," he said, "I felt so much better I decided to go back on the job. The examining doctor told me I was in perfect health. Now I am working from 8 to 12 hours daily and I am able to sleep as any normal person. I have taken six large size bottles of HADACOL and all my friends know I owe my good health to HADACOL."

Mr. Watkins is one of the many thousands of people who suffered from a deficiency of the B vitamins and the minerals that HADACOL contains and who, therefore, found relief in HADACOL.

It is a well-known scientific fact that the lack of only a small amount of the B vitamins and certain minerals in your system will cause certain bodily disorders such as nutritional neuritis, which causes the aches and pains commonly known as rheumatism, and there is no known cure for the ailment except the administration of the needed vitamins and minerals. This is why people who suffered for years and years never were able to obtain any relief until they took the vitamins and minerals the lack of which was causing the disorders.

HADACOL does not contain only one but has five of the B vitamins and four necessary minerals. It comes to you in liquid form so that it will be easily absorbed by the blood and, therefore, carried to the parts of the body which need them most.

So, it matters not where you live—no matter who you are—if you have tried all the medicines under the sun, you should be fair to yourself and give this wonderful preparation, HADACOL, a trial. And if your disease is caused by a lack of the B vitamins and minerals which HADACOL contains, then don't go on suffering—don't continue to make your life so miserable. Temporary relief for you is not enough. Take HADACOL.

Sold at all leading drugstores. Trial size only $1.25, but save money; buy the large family economy size, only $3.50. If your druggist does not handle HADACOL, order direct from The Le Blanc Corporation, Lafayette, La., and when the postman brings your package, just pay the amount plus the c.o.d. and postage. If you remit with the order we will pay the postage.

Then, if you don't feel perfectly satisfied after using HADACOL as directed, just return the empty carton and your money will be cheerfully refunded. Nothing could be fairer.—Adv.

Evelyn Marie Jurica And Ladis Novotny Married In Ennis

Before an altar banked with palms, ferns and baskets of white gladioli and white stock with two eight-branched candelabra holding white tapers, Miss Evelyn Marie Jurica became the bride of Ladis Novotny in a candlelight double ring ceremony at 5 p. m. Sunday, October 16, 1949 at the First Presbyterian Church in Ennis, Texas. The Rev. Egbert Lubbers officiated.

The music was presented by Mrs. J. R. Powell, who played the traditional wedding music; Miss Sally Jo Pannill, who sang "At Dawning" by Charles Wakefield Cadman, and "Because" by Guy D' Hardelot; and Miss Glenda Pannill read Elizabeth Browning's "Sonnett" to a musical background, "Traumerel".

Mrs. Novotny is the daughter of Mr. and Mrs. Henry Jurica of 503 E. Knox, Ennis. The bridegroom is the son of Joe Novotny and the late Mrs. Mary Pavaska Novotny of Ennis and formerly of Cameron.

The bride, given in marriage by her father, wore a white slipper satin gown, designed with a fitted bodice. Three deep folds formed a square neck line with clusters of orange blossoms, and the long sleeves, tapered to petal points over the hands.

The full skirt with a tiered chantilly lace front extended to a formal length train, worn over a hoop.

Her fingertip-length veil fell from a halo of imported illusion ornamented with seed pearls.

The bride's jewelry was a single strand of pearls.

Atop her white satin covered Bible was an orchid, showered with lilies of the valley and satin streamers.

Miss Henrietta Jurica, sister of the bride, was maid of honor, and Mrs. L. D. Harris, cousin of the bride, attended as matron of honor.

Bridesmaids were Miss Mary Ann Koubek, cousin of the bride, and Miss Lillie Ann Jekel, daughter of Mr. and Mrs. Conrad Jekel, Jr. of Cameron and niece of the bridegroom. They wore lace and marquisette gowns of rainbow colors with matching mitts and half hats made of fiji chrysanthemums and maline. They carried fan-haped bouquets of white fiji chrysanthemums tied with colored satin streamers matching their dresses.

Frankie Novotny, brother of the bridegroom, was best man.

Groomsmen were L. D. Harris, Johnny Haskovec and Johnny Kovar, cousins of the bride, who served as ushers. The candle lighters were Jerry and Albin Kolvar, cousins of the bride. The ring bearer was Robert Jurica, also a cousin of the bride.

For the reception held at the home of the bride's parents, the table was decorated with a fanshaped arrangement of white gladioli and fiji chrysanthemums.

Mrs. John Jurica served the wedding cake and Mrs. Emil Machalik, sister of the groom presided at the bride's book.

The bride chose a wine colored wool gabardine suit with brown accessories and an orchid corsage for he rtraveling ensemble.

After a wedding trip to Carlsbad, N. Mex., and Los Angeles, Calif., the couple will be at home in Ennis.

Mr. Novotny is a veteran of World War II.

Mrs. Henry Dakel Hostess to Leisure 42 Club Thursday

Mrs. Henry Dakel entertained the 42 Leisure Club at her home Thursday afternoon.

The rooms were decorated with Autumn flowers.

High score prize went to Mrs. Henry McLane; second high, Mrs. Leo Fuchs and 84 prize to Mrs. Jim McGoldrick. Table cuts fell to Mrs. Leo Laake, Mrs. V. Lesikar, and Mrs. A. Gurecky.

The hostess served congealed salad, potato chips and hot chocolate to the members and three guests, Mrs. Jim Crouch, Mrs. Allene Tiller and Mrs. J. Yarborough.

Mrs. Bud Wunch and baby of Rosebud visited Mrs. Dan Lunsford and family Thursday.

Humble To Bring 3 Game Broadcast Saturday, Nov. 5

Three important decisions in the 1949 Southwest Conference race will be reported to listeners this week end on Humble Oil & Refining Company's football broadcasts.

Three Conference rivalries will be renewed—Texas-Baylor, SMU-A&M, and Rice-Arkansas—each noted for its upsets or near-upsets in recent years. The seventh league member, TCU, is idle Saturday.

The Texas-Baylor game, from Austin's Memorial Stadium, will be broadcast starting at 1:50 p. m. by Kern Tips and Alec Chesser. The game will be heard over stations KTRH, Houston; KRLD, Dallas; KABC, Austin; KWTX, Waco; KWBU, Corpus Christi; KRIO, McAllen; KPET, Lamesa; KRIG, Odessa; KIUN, Pecos; KVKM, Monahans; KVIF, Alpine and KELP, El Paso.

From Kyle Field, at College Station, Ves Box and Jerry Doggett will describe the Texas A&M-SMU game, beginning at 1:50 p. m., over stations WFAA-WBAP-820, Dallas-Ft. Worth KPRC, Houston; WOAI, San Antonio; KRIS, Corpus Christi; KVAL, Brownsville; KURV, Edinburg; KGNC, Amarillo; and WTAW, College Station.

The day's third game, Arkansas-Rice, at Houston, will be reported by Charie Jordan and Fred Kincaid. Broadcast time is 2:20 p. m. over stations KXYZ, Houston; KTSA, San Antonio; WBAP-WFAA-570, Ft. Worth-Dallas; KEYS, Corpus Christi KRGV, Weslaco; KFDM, Beaumont; KFDX, Wichita Falls and KTRE, Lufkin.

George Tabor, assaulted and robbed by two men near here recently has been released from St. Edwards Hospital and has returned to his home at Midland.

Mr. and Mrs. Ben Blackburn of Burton and Bud Elliott of Somerville, nephews of Mrs. Mary Garrett attended her funeral here Thursday afternoon.

Mr. and Mrs. J. O. Cobb of Hawkins spent the week end with Mr. and Mrs. Sherwood Cobb in their modern home. They attended the prison Rodeo in Huntsville Sunday.

Beware Coughs From Common Colds That HANG ON

Creomulsion relieves promptly because it goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough or you are to have your money back.

CREOMULSION
for Coughs, Chest Colds, Bronchitis

Cameron Stores To Close November 11

Cameron stores will be closed Friday, November 11.

Armistice Day is one of the days on which the merchants agree to close in choosing the holidays for the year, it was pointed out by L. G. Smith, manager of the Chamber of Commerce.

People of the trade territory are given advance notice that stores will be closed next Friday so they may do their shopping in advance.

Stores will be open again on November 12. Armistice Day is a National Holiday marking the termination of World War I.

Girl Scouts Will Hold Carnival Here Saturday Evening

Girl Scouts and Brownies will hold a carnival, Saturday evening, November 5 at Simon-George Memorial Hall, with activities beginning at 6:30 p. m.

The public is cordially invited to attend and enjoy an evening of fun and entertainment. Plenty of refreshments will be served and games of all kinds, including bingo, cake walk, etc.

The money derived from the Carnival will be used for Girl Scout and Brownie projects.

The Carnival is being sponsored by the leaders, parents of the Girl Scouts and Brownies, and Girl Scout Council.

Mrs. L. S. Slama has returned from a three months visit with her daughter, Adele, who resides in Washington, D. C. and is employed with the State Department of that City. Mrs. Slama reports that she had a very enjoyable trip.

Mrs. India Stidham has returned from a visit with her son, Syd Stidham and family of Houston. She also visited her sister Mrs. Ida Mae Hunter in San Antonio.

Senator Fred Harris Will Address Legion Members November 11

Senator Fred (Red) Harris of Dallas County will deliver the principal Armistice Day address at Cameron at 12:00 noon, Friday, November 11, at the annual dinner sponsored by the American Legion , it was announced today by Judge W. A. Morrison.

Senator Harris, a two-time "Purple Heart" veteran of the United States Navy, a survivor of the ill-fated carrier USS Franklin, and the holder of the Navy Cross, Silver Star and Bronze Star decorations, is a member of the Oak Cliff Post No. 275 of the American Legion in Dallas.

Senator Harris, a graduate and 4-letter athlete of Baylor University has been in politics for many years. He served Dallas County as a member of the House of Representatives, then as County Commissioner of Dallas County, from which he resigned to enlist in the United States Navy. After his release from the Navy he was elected State Senator from the Dallas area.

Business Women Hear Proposed Amendments Talk

As a helpful preliminary to decision on how to vote in the Constitutional Amendment election November 8 the Business & Professional Women had as guest speaker Mrs. W. O. Triggs Tuesday night.

Mrs. Triggs discussed the 10 proposed amendments and the 21 members of the club were most happy to have such helpful clarification of the merits and demerits of the proposals.

Mary Randolph and Edith Starnes were co-hostesses and served a salad plate.

Mr. and Mrs. Sam Hohenstein spent the past Thursday in Houston attending business and shopping.

YARRELLTON NEWS

By MRS. LENA RUSSELL

Mr. and Mrs. Bob Griswold and Mr. and Mrs. Bud Caddell visited Gaines Robinson who is ill at the home of his daughter, Mr. and Mrs. Lee Chapmann at Rosebud.

Mr. and Mrs. Zack Griffin and family visited in Waco over the week end in the home of Mr. and Mrs. Wesley Griffin.

Rev. R. L. South was a Sunday visitor in the home of Mr. and Mrs. Auttis Franklin.

Audell Pagel visited Bobby Russell and Wallace Colburn Sunday afternoon.

Miss Elba Jean Colburn of Denton visited home folks over the week end and was accompanied back Sunday by her parents, Mr. and Mrs. C. Colburn.

Mrs. C. E. Russell returned to her home Sunday from Rosebud, and reports that her sister, Mrs. J. H. Richerson is improving nicely after an operation at the Rosebud Hospital.

Miss Wanda Rae McDonald of Houston recently spent the week end with her parents, Mr. and Mrs. W. C. McDonald.

Misses Ruth Solomon and Evelyn Klapka spent Thursday night with Loma Russell.

Mrs. Ella Clark and Gladys Pittman vsited in the Charlie Griffin home Sunday.

Joe Gibbs is visiting in California and reports a most enjoyable trip.

Harvey Westbrook who is with an Oil Compnay in New Mexico is visiting home folks while on vacation.

Mrs. Ance Wilkerson spent the week end in Houston with her son, Tucker who suffered a fractured leg when he was struck by a car as he crossed the street. He is confined to Memorial Hospital and is improving slowly.

G. W. Blansett spent the week end in the W. S. Lock home near Rogers.

Mr. and Mrs. Ance Wilkerson visited in the Tom Clements home Sunday.

Mrs. Minnie Russell, Ewell and Myrtle visited in the C. E. Russell home Monday night.

Falls County Makes Progress on Highway 77 Right Of Way

Highway 77 could get under way even sooner than it appeared possible two weeks ago. Falls county has cleared the way for the State Highway Department to go ahead and has notified the Department that they are ready.

The City of Rosebud is closing deals this week wth the remaining few owners that have not already signed. It is believed that the City of Rosebud can notify the Highway Department by the end of the week that it is also ready for contract letting.

Some buildings will have to be moved, and the tentative plans of the city dads is to make a deal with a competent moving contractor to do the entire job on all the houses and buildings, but no deal has been made at present.—Rosebud News.

DAUGHTER TO FLORIS ABLES

Mr. and Mrs. Floris Abel of Sharp are the parents of a baby daughter born at 9:45 p. m. Sunday, October 23 at St. Edwards Hospital. The baby weighed 8 pounds and 10 ounces and has been named Kathleen Ann.

Mrs. Alice Thomas Native Here, Died In Temple Hospital

Mrs. Alice Reed Thomas, widow of the late W. B. Thomas, Rogers banker, died in a Temple Hospital at 2 p. m. Saturday, October 22 from a heart ailment.

Mrs. Thomas had been ill for months from this ailment and was under treatment in the hospital, having gone there from her home in Rogers.

Mrs. Thomas was born in Cameron, daughter of the late Dr. V. E. H. Reed and Maggie McCown Reed, on March 12, 1884.

Mrs. Thomas spent her early years here, attending school at the old school on West Third Street. She was married to the late William B. Thomas in the old J. W. McCown home on Little River. This old home was one of the early structures and stood near the present site of the W. S. Lamkin home.

For many years Mr. and Mrs. Thomas made their home in Rogers where Mr. Thomas was President of the First National Bank. He died in 1942 and since that time Mrs. Thomas continued to reside in Rogers. Their only son Dr. Borden Thomas of Amarillo is dead. Two daughters, Mrs. Mary Alice Wood of Rogers and Mrs. Tom Bowles, Jr., of Belton survive.

Other survivors are: Janet Wood, Ann and Margaret Bowles and Robert Thomas of Denver, Colorado; two brothers William Reed and Rogers Reed of Holland; three sisters Mrs. J. W. Simpson of Dallas, Mrs. J. O. Cullen of Austin, and Mrs. Margaret Francis of St. Louis, Mo. Surviving also are a number of cousins and other relatives in Cameron.

Funeral services were held from the First Methodist Church in Rogers on Sunday, November 23 by Rev. Edmund Heinsohn of Austin and Rev. George Matthews of Rogers. Relatives and friends attending the funeral from Cameron were: Mr. and Mrs. Tull A. Pope, Miss Susan Pope, Mr. and Mrs. Harry Tag, Mrs. Jeff T. Kemp, Mrs. Graham Gillis, Mr. and Mrs. Ed Taylor, Mrs. Sue Baskin, Mrs. Henry Hefley, Oxsheer Smith and Mr. and Mrs. Donald Glass.

Phone your news items to 282.

Joe Castleman, Church of Christ Minister who has been directing a meeting at West, Texas will have charge of the morning services at the Church of Christ on East Second Street Sunday morning. With Mr. Castleman is Mr. Baker of West. You are welcome to attend these services.

Mr. and Mrs. F. L. Tiller of Dallas visited in the L. H. Hillyer home Tuesday.

Mr. and Mrs. Byron Farr of Valentine is visiting in the home of her parents, Mr. and Mrs. Bill Storey and other relatives in Cameron. They also visited relatives in Houston and Galveston. Mrs. Farr is the former Miss Florence Jane Storey.

WEATHER DELAYING HARVEST OF CROP

Cameron Compress had received 15,500 bales of new crop cotton for processing here, it was reported by P. W. Davis, manager.

Mr. Davis said that the weather during the past week had slowed up harvest and receipts were correspondingly short.

Total receipts to-date were within a few haundred bales of the total compress receipts last year. It is estimated that local truck cotton might run as high as 18,000 bales for the season.

The ginning report will not be due until November. While the crop as a whole has been harvested in large measure it is estimated there may be 7500 bales still not picked in the county.

Heavy rains have made it difficult to proceed with normal harvest. Shortage of pickers is also reported, since much of the migratory labor as well as local labor are now in West Texas where the crop is coming on the market.

The 1949 crop may not reach an earlier estimate of 28,000 bales. The weather may have cut down final production as it has hampered harvest.

Mr. and Mrs. Douglas Barron spent the week end in the home of Mr. and Mrs. Sam Terry and family in Houston.

Bethlehem HD Club

"Pruning should be done at different times of the year, depending upon the kind of tree or shrub to be pruned," said Mrs. Isabelle Moody, County Home Demonstration Agent, at a meeting of the Bethlehem Home Demonstration Club, Tuesday, October 4, when the club met in the home of Mrs. M. W. Longmire.

Mrs. Moody further stated that flowers should be pruned following the blooming season and dead limbs should be taken out any time they appear. The correct way to prune and the use of insecticides were also demonstrated.

Most valuable information was derived from the reports from yard demonstrators and co-operators.

A nominating committee composed of Mrs. J. L. Rettig, Mrs. R. H. Caldwell and Mrs. O. H. Gross was appointed by the president for the selection of 1950 officers.

During the social hour a refreshment plate was served to 17 members and 8 visitors namely: mesdames Tennie McClellen, C. L. Tucker, Sr., J. T. Timmons, G. Gilmore, E. A. Ryan, John Beesley, Harold Jones and Janie Rowls. The hostess was showered with gifts from each Club member.

At the meeting held on October 18, at the home of Mrs. R. E. Currey, Mrs. Rettig was in charge of the program, and told how to do work with the least effort, by having the correct posture, the right type of equipment or tools for a particular kind of work, and by having correct hight of ironing board, tables, etc.

Recreation was led by Mrs. Curry, and Mrs. Paulie Jenkins received the vote for the best Pantomine of a traffic policeman.

Recommendations were heard from the nominating committee and accepted with the following officers for 1950: president, Mrs. Chester Grissom; vice president, Mrs. Truman Dodson; secretary-treasurer, Mrs. George Manley, council representative, Mrs. Joe Huddleston; reporter, Mrs. M. W. Longmire and parliamentarian, Mrs. Oscar Gross.

Mrs. Dudley McDaniel gave a report of delegates who attended the State convention of State Home Demonstration Ass'n.

In addition to 18 members, the following guests were present: mesdames E. A. Ryan, J. Beesley, D. Kornegay, W. Wiese, T. McClellen and Misses Sue Sanders and Mabel Jones.

The hostess served punch and cake, after which her gifts were opened.

The next meeting of the club will be with Mrs. Curtis Cardwell and Tuesday, November 1, at 2 p. m.

MARCEL CERDAN ONE OF CRASH VICTIMS

PONTA DELGADE, the Azores, Oct. 28—An Air France Constellation plane bound from Paris to New York crashed in flames against an Azores mountain 90 miles north of its normal course early today and all 48 persons aboard were killed. They included the former world middleweight boxing champion, Marcel Cerdan, and 11 Americans.

Rescue parties found all 37 passengers and 11 crewmen dead about the wreckage near the summit of the 3,500 foot Algarvia peak of Sao Miguel, largest island of the Azores group. The bodies were charred and unrecognizable.

The plane, in command of the veteran Capt. Jean de la Noue, 37, dropped out of radio contact with ground bases after sending a message at 2:50 a. m. (8:50 p. m. CST Thursday).

"Having accomplished first part of trip normally, read to land at 2:55 on Santa Maria Airdrome, Azores, weather being clear."

Eight hours later the wreckage was sighted on Sao Miguel, 90 miles north of Santa Maria, at the extreme southeast side of the rugged Portuguese archipelago in the Eastern Atlantic.

Air Force officials said the weather turned bad. They could not explain why they had heard nothing from the plane after it 2:50 a. m. report.

Cerdan was flying to New York with his manager, Jo Longman, and trainer, Paul Genser, for a title fight Dec. 2 with Jake Lamotta. He lost the world middleweight championship to Lamotta in Detroit June 18. He has been a national hero to the French.

Also aboard was Miss Ginette Neveu, 28, noted French violinist who was to give concerts in 21 north American cities next month. Her brother and accompaniest died with her. Miss Neveu was described as "a fantastic success" on a pervious tour of the United States in 1947.

Bernard Boutet de Monvel, 67, French portrait painter and son of the equally well-known artist Louis Boutet de Montvel, was another passenger.

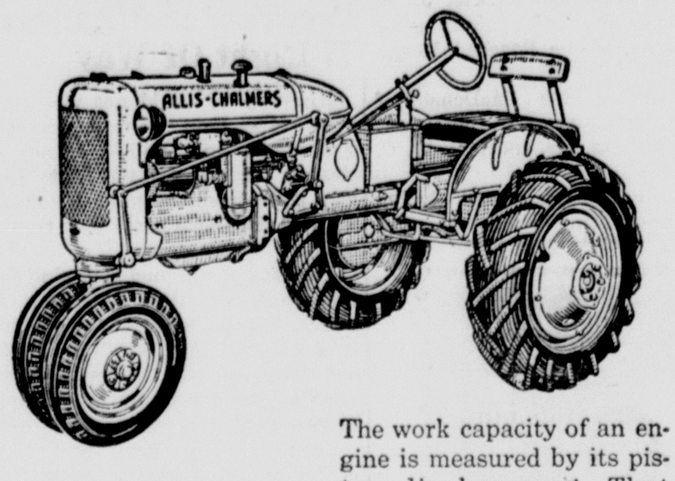
Military Conducts Investigation of Night Club Killing

Lieut. Carson of San Antonio and with the Army Air Forces, was in Cameron Wednesday to confer with County Attorney Ed Gunn.

Lieut. Carson was investigating the slaying of C. N. Knight, Jr., with the army air corps and who was on leave with relatives in Rockdale.

Knight died from knife wounds sustained in a fight at the Tom and Nat night Club near Milano. It was a routine military investigation.

A BIG ENGINE IS WORTH MORE BUT..



in the Model C it Costs Less

The work capacity of an engine is measured by its piston displacement. That means the size and number of pistons and the distance they travel in the cylinders.

The Model C has a 125-cubic inch engine. Compare that with other tractors in the same price range.

Stop in and ask for Model C information — or better yet, ask to see what this tractor will do on your farm.

Heavy Frost And 35 Degrees Here Is Bracing Weather

Bracing weather, the first of the season brought 35 degree temperature to Cameron Tuesday morning, it was reported by L. W. Smith, government observer at the Community Public Service Company.

A heavy frost was the aftermath of the first cold norther of the year. The fall was heavy enough to crust over roof tops in Cameron and kill much vegetation in the bottoms, including cotton leaves.

The forecast is for another cold wave by late Wednesday or Thursday. In the meantime it will be warmer by Wednesday .

New Low Price On Flat Work Announced At Snowhite Laundry

A new low price of 8c per pound on flat work at the Snowhite Laundry is announced effective Monday to begin the new year at the plant.

A new service has been added and patrons of the laundry and the public at large will be interested in the announcement in to-day's issue.

The new service is a folding service. A concession of interest is that family wearing apparel may be included in the flat work and all at the prevailing new price.

Since the laundry was established in 1948 by Ray Lester a dry cleaning plant has been added.

WRECKAGE PILED HIGH AS FREIGHT WRECKED

MK&T's crack freight, train, The Comet, ended in a twisted mass of wood and steel early Friday morning when 32 cars of the 45-car train piled up near the Little River bridge. One person was fatally injured and two others were hurt.

Dead was William Thomas Little of Casper, Wyo., who was crushed and pinned in the wreckage of a coal car loaded with sheet steel, in which he and the injured men were riding.

Seriously injured was Bryan Hancock of St. Louis, Mo., and Gordon Thomas, a negro, of Birmingham, Ala.

The derailment occured at 2:50 a. m. It was 6:15 a. m. before Little was freed from the wreckage of the car by trainmen, section laborers and T. E. Traylor, local ambulance driver.

The man was pinned beneath shifting steel and the side of the car, which had parted from the floor and was driven back into the lower portion of Little's body by the impact of other cars.

Little remained conscious up to the time the steel was removed from his body by heavy construction jacks. He told rescuers that he had no living relatives, although at the time he was not belived critically injured by the workmen.

He was pronounced dead upon arrival at the Scott and White hospital, where the injured were brought by Memorial ambulance for treatment.

Hancock suffered a broken leg and head injuries in the accident and had not fully regained consciousness last night. Thomas, a circus laborer, was not seriously injured but is being held in the colored Memorial hospital for observation.

Engineer J. T. Baggett of Smithville said the first thing he knew of the accident was the automatic setting of the air brakes when the cars parted. And when the Diesel engine failed to stop as it should with a heavy load, he said he realized something was wrong.

"My first thought was about the rear brakeman, my son Charles," Mr. Baggett said, "and when I heard the men hollering amidst the wreckage, my heart stood still."

His son was uninjured, as were all of the train crew, Charles Baggett said he was riding in the cupola of the caboose when the cars left the tracks. He made two lunges at the door to jump, but each time the train would jerk and throw him back into the car.

One boxcar of the train fell into the Little river and the next car in line struck an abutment of the bridge crumpled the abutment as if it were tin.

About 25 of the cars were piled one atop of the other, all within a space of 150 feet.

Loads on the wrecked cars included gasoline, alcohol type antifreeze, cement, oil, butane tanks, sugar and general merchandise. Gasoline and other liquids spilling over the wreckage made clearing he tracks a hazardous job.

H. E. Coaker, Katy official of Smithville, laid the blame for the wreck on a broken wheel on the third car from the engine. The Diesel and two cars made it across the bridge before it was damaged.

Temple's fire department dispatched a chemical truck to the scene to stand by in case of a fire, and the highway patrol units of Temple and Belton and Sheriff Buck Ray and his deputies were aclled out to hold back the crowd and prevent a possible fire.

Katy officials said yesterday that traffic was being routed over Santa Fe and Southern Pacific tracks. The Katy track should be cleared and ready for slow traffic sometime Sunday afternoon.

The derailment caused a change in plans for the University of Texas football team as they switched from rail to air for the trip to Dallas for the Saturday football game with SMU.

Crewmen on the train, other than the Baggetts, were Charles Moncure, conductor; C. L. Farris, fireman; and Johnny Rightmer, all of Smithville.

Stanley Vaculin has purchased the Humble Service Station, located at 706 West 8th Street in Santa Fe Town.

Mrs. J. H. Thompson of Clodine spent the past week in Cameron visiting her sons, R. E. and L. E. Thompson and families.

MILANO NEWS

Mr. Ford, 76, who died in Breckenridge Hospital Saturday was buried in Milano Cemetery Monday. Rev. Miller Smith, pastor of Rockdale Methodist Church directed the services. He was a brother of Howard and Arch Ford of Milano. Survivors are his widow and six children.

Several members of the MYF of the Milano Methodist Church atended the MYF meeting in Cameron Monday night. An enjoyable meeting was reported and the Milano boys and girls were very proud to bring the banner back with them again, three times in succession.

Mrs. Billie Timmons and children have reutrned to their home at Lubbock after a visit here with her mother-in-law, Mrs. Ora Timmons and Mrs. Mary Peeple.

Visitors in the home of Mrs. Dan Robinson Thursday were Mr. and Mrs. Marshall Powell of Taylor and Arthur Moore of Temple.

Mrs. Lila Smith is visiting her daughter, Mrs. Fred Blackmon of Somerville who is seriously ill.

Mrs. Oala Edwards and Jack Worbington of Bryan spent the week end here at the home of her mother, Mrs. Ida Howes.

Mr. Bannister visited home folks in Temple Sunday.

Danny Winchester, little son of Mrs. Ruth Winchester has returned to his home after being a patient at Newton Memorial Hospital.

Stetenias, Former Secretary of State Died Early Monday

Edward Stetenias, former Secretary of State, who played a prominent role in the latter years of the Roosevelt administration, died early Monday at the home of his sister. He was resting in Connecticut, having been suffering from a heart ailment.

Mr. Stetenias was 49 years old, one of the youngest of the world statesmen who had a share in shaping the post war policies of the United States.

A. R. Kohring of Rosebud was a business visitor in Cameron last week.

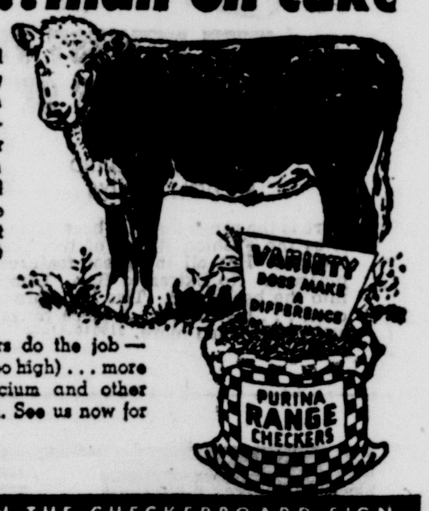
48 lb. HEAVIER CALVES TO SELL...than on cake



The big difference was proved by Purina in a ranch feeding test. 50 cows winter-fed on Purina Range Breeder Checkers weaned 48-lb. heavier calves than 50 cows fed on cake. Both groups were fed *exactly the same* amount. The 48 lbs. difference in weight per calf meant about $9.60 extra income per head.

Here's why Purina Checkers do the job — correct protein percent (not too high) . . . more carbohydrates . . . more calcium and other minerals . . . more vitamin A. See us now for your winter feeding needs.

at Gas Range Dealers'

OLD STOVE ROUND-UP

TRADE-IN SALE

Only the New automatic gas ranges give you all these advantages

• SIMULTANEOUS BAKING AND BROILING—Dinner broils while cookies bake. Oven-above-the-broiler arrangement as illustrated above saves meal preparation time and fuel.

• CIRCULATED FRESH AIR BAKING—Breads, cakes and pastries bake uniformly, brown evenly without moving pans from one rack to another. Circulating heat does it. Gas alone has it.

• SMOKELESS BROILING — Only the live gas flame instantly consumes greasy vapors produced in broiling.

• THERE'S NO SUBSTITUTE for *flame* cooking and *gas* is the *magic flame* for broiling, roasting, baking, frying, broiling and simmering.

New gas ranges cost less to buy; operate for one-fourth the cost of non-flame method; and require no expensive installation costs. During Old Stove Round-Up you can get a new gas range with the biggest trade-in allowance, the smallest down payment and easiest monthly payments in 10 years. See your Gas Range Dealer or Lone Star Gas Company today.

LONE STAR GAS COMPANY

E. DENKER, PIONEER DIED HERE SATURDAY

E. Denker, 86, widely known Milam County pioneer and native of Germany, died in Newton Memorial Hospital in Cameron at 9:00 P. M. Saturday, October 29.

Mr. Denker had ben ill for some time and in the hospital for treatment. The seriousness of his condition was not generally known to his friends at large and his death came as a shock to many.

Mr. Kenker was born in Germany. He came to the United States with his parents at the age of 16 years. The family settled in Fayette county and lived there 7 years, then moving to Milam county, settling near Sharp where the deceased lived until 1928. He moved to Cameron in that year and had engaged in farming and construction work until his age interfered with his activities.

Mr. Denker was a member of the Presbyterian Church and a member of the Sons of Herman Lodge in Cameron.

Funeral services were to be held at 3:00 p. m. Monday, October 31 at First Presbyterian Shurch by Dr. W. R. Hall, Minister, with interment in Oak Hill Cemetery with the Green Funeral home directing arrangements. The body was at the Green Funeral home until the funeral hour Monday .

Surviving are his widow, three daughters, Mrs. Max Prokisch and Mrs. Geo. C. Laffere, all of Cameron; and Mrs. Ernest Dittmar of Cat Springs, Texas; six sons, Edwin Denker, Alvin Denker and Louis Denker all of Cameron; Otto Denker and Harold Denker of Buckholts; and Arnold Denker of Seguin. Also surviving are a number of grand children and great grand children.

CIO WINS PENSIONS IN LONG DISPUTE

The CIO tonight won $100 a month company-paid pensions from a major steel compnay and other firms immediately turned to study the settlement, the first in the nationwide steel strike.

The Government, faced with the inroads on production and employment by the nationwide coal and steel strikes, hoped a pattern was found for quick settlement in both walkouts.

The CIO steelworkers signed a contract with the Bethlehem Steel Corp., second largest producer in the country. It broke the solid front of the industry in the month-old strike.

Federal Mediation Director Cyrus Ching praised the agreement as a "great public service." He called off a meeting with Republic Steel, Jones and Laughlin, and Youngstown Sheet and Tube, to give the companies time to study the Bethlehem formula. They were reported near agreement with the union.

U. S. Steel, which has been the bellwether in the industry's labor picture, said through its president that it was studying the settlement.

Steel industry sources in Washington said that the Bethlehem settlement probably will win over the other steel companies.

Federal Mediation officials moved quickly to use the momentum in other disputes. They contacted the Aluminum Company of America against which 16,000 CIO wokers are on strike and prepared to intensify their efforts to settle the soft coal walkout.

CIO President Philip Murray announced the agreement would give a minimum of $100 a month pensions, including Federal Social Security, to Bethlehem employes who retire at 65 with 25 years service. In some cases, he said, the pension would be as much as $250 monthly.

However, the steel workers agreed to contribute toward other welfare benefits. They will match the 2½ cent hourly contribution by the company for life and sickness insurance and disability benefits.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. John Kuzel of Buckholts have announced the engagement and approaching marriage of their daughter, Irene, to M-Sgt Joseph Rollins, son of Mrs. Nell Rollins and the late John Rollins of Daytona Beach, Fla. The marriage will be November 5.

ANNOUNCING

Mr. and Mrs. Louis Dominik of Bryan announce the arrival of a daughter born Thursday, October 27, at Saint Joseph Hospital in Bryan. The baby weighed six pounds and has been named, Linda Mae. Mrs. Dominik is the former, Marie Butler. Both mother and baby are doing fine.

ANNOUNCING

Mr. and Mrs. S. W. McClaren, Jr., announce the arrival of a six pound eight ounce son born Thursday, October 27, 1949 at St. Edwards Hospital. The baby has been named, David Benton.

Mrs. B. Slocomb has returned from a trip to Ft. Worth where she visited in the home of her daughter and family. While there they attended the State Fair in Dallas, and the Hook Rug Show which was held at St. Paul's Episcopal Church in Waco. She also attended the Echols-Brewer wedding at Denton .

Houston Man Offers To Assume Debt of College At Natchez

HOUSTON, Oct. 30 — Nathan J. Klein, prominent business man and civic leader, announced tonight he personally would assume the $5,000 debt of Jefferson Military College in Natchez, Miss.

The school's financial plight was made known earlier this week when officials announced they would turn down a $50,000,000 grant offered by Judge George W. Armstrong of Fort Worth and Natchez, Miss., who asked in return that the school teach "white supremacy."

After the school turned down the larger offer, Armstrong offered to pay off the school's most pressing obligation, the $5,000 bank note, with no strings attached.

Klein, 50,year-old owner of a chain of ice cream stores here, said he was "more than willing" to donate the $5,000 to the Mississippi school, since informed sources had told him that Jewish students had always been accepted and well recognized on the Jefferson campus.

Mrs. Anna Dusek of Victoria spent last week end in the home of Mr. and Mrs. F. A. Marek.

Mrs. S. A. Cottle and Mrs. Albert Collins were in Waco Monday.

You have heard about Jesse James, you might have seen Jesse James— Why not come and hear and dance to the music of Jesse James and his boys of Austin, at the Star Lite Club tonight.

Friends of Anton Anderle will regret to learn he is ill and a patient in St. Edwards Hospital. Mr. Anderle is manager of the Anderle Lumber Co. in Cameron and has many friends who wish him a speedy recovery.

Mr. and Mrs. Lincoln Barber and children of Jacksonville were in Cameron visiting Mrs. Barber's parents, Mr. and Mrs. Owen Weems and friends for the week end.

NO NEW BUILDINGS HERE IN OCTOBER

Construction totals were far below average for the month of October, it was disclosed here Monday by W. H. Stafford, City Secretary.

The total for the month was $6,-810.00 and represent repairs only. No new construction was reported for the month.

It was estimated here Monday that permit totals for the year would fall below the construction totals for 1948. In the post war years Cameron had moved forward slowly with building permits totaling around a quarter million dollars a year. In the main this represents residence construction.

The October total is a new low for the year. Permits are not expected to increase materially since the end of the year is near.

Shortage of materials in the post war years prevented anything like needed building. As materials became more plentiful building volume increased and there has been a steady growth since.

Mrs. William Waggner, daughter of Mr. and Mrs. Ed Ditto of Cameron is a patient at Newton Memorial Hospital.

Constitutional Amendment No. 5

Known as the pay raising amendment for the members of the State Legislature.

This amendment has two proposals to amend the constitution but they are submitted as one. The voter has no choice he must either vote against or for the two. Amendment No. 1 raises the pay of members of the Legislature to three hunderd dollars a month for 24 months with only about 6 months work to be done during the 24 months. The other change in the constitution grants an off year all season session without limitation or restraint on the members of the Legislature. This is impracticable, uneconomical and extremely dangerous to the State economy. Under its provision the members of the Legislature at their discretition can stay in session all year with offices, stenographers and everything necessary for a well equipped office paid for with the tax payers money. I don't say they would stay in session all year but personally I don't want to tempt them by voting the privilege.

The State's finances are in no condition to assume a two and a half million dollar annual expense which will be the minimum cost to the tax payers if this amendment is adopted.

The estimated cost of this amendment is based on the cost of the last session of the Legislature. The appropriation bills of that session show one million nine hundred thousand dollars was appropriated to pay the over all expense of the Senate and the House of Representatives. Add to this the increase in pay that the amendment provides and it makes two and a half million dollars. This is for six months session only. What would it cost if they should remain in session for 24 months? I leave that to you to guess. The last session made history. It was the longest, the most liberal spending and the only session that bogged down and went home without finishing its work. Its record ought to convince anyone that a long session alone doesn't make an efficient administration.

With almost a hundred million surplus on hand when the members of the Legislature went into session last January they quit in July with the state economy jockied to the fringe of collapse.

George Parkhouse, member from Dallas says quote "Remember the last session of the last Legislature was a billion dollar session. They ran out of money and it will be necessary to have a special session in January to dig up more funds." Mr. Parkhouse was honest about it. He knows that any relief will have to come through a call session by the governor of Texas, that no new taxes can be voted at an off year session. The author of the amendment, John Crosswaite of Dallas ,says quote "The Legislature can do nothing at an off year session except appropriate money and submit constitutional amendments. Any other matter requires a four-fifths vote. I contend that no tax bill can get a four-fifths vote. Therefore no new tax can be voted at an off year session."

Since the Legislature has no money to appropriate and can not get any by taxation at an off year session such a session could only benefit the members of the Legislature and those working for the Legislature during the session.

This amendment as drawn is a snare to catch the votes of the needy by leaving them under the impression that they can get the relief in January which should have been provided at the last session of the Legislature. I state to you frankly that the only relief can be given in January next is through a call session by the governor and that only such subject as is specified in the call can be considered. This amendment should be defeated by an over whelming majority but whether you vote for or against the amendment, be sure to vote.

When the people fail to vote they fall into the hands of the unscrupulous and selfish.

A. N. GREEN,
Cameron, Texas

Mr. and Mrs. Roy L. Leeman of Fort Worth visited in Cameron recently. Mrs. Leeman formerly lived in Cameron. Her mother, Mrs. H. C. McKee also of Fort Worth who is now in her 90th year is reported getting along fairly well.

PRAISE IS DUE GROUP FOR MUSIC PROGRAM

The Civic Music Program is assured for another season and Cameron and Milam county are to be congratulated.

The membership drive, concluded Saturday, did not yield as many members as enrolled in 1948 but enough to bring better music again.

Mrs. C. G. Swift, Secretary of the Milam County Civic Music Association, said early Monday that the tentative date for the first program has been set for Sunday, December 4.

The Apollo Boys chorus will be the first of the programs and two are to be had in the spring of 1950. The Apollo Boys are among the most sought after musical programs in the United States and the committee of the Association feels most fortunate to have been able to book them for the opening program on December 4.

The Apollo Boys program is slated for Sunday afternoon, December 4 and if a change is necessary announcements will be made later.

Mrs. C. O. Angell of Buckholts was in Cameron Friday on business.

Nephew of Aged Man Collects For Care Given His Uncle

Mr. and Mrs. Jack Moore of San Gabriel were awarded the sum of $1091.66 in district court here Friday by Judge W. A. Morrison in a case in which they sought compensation for the care of their late aunt and uncle Mr. and Mrs. John Morris.

In the verdict rendered in favor of Mr. and Mrs. Moore in the above amount the sum of $175.00 was granted for improvements on the home at San Gabriel.

The case was involved and long drawn out. Camp & Camp represented Mr. and Mrs. Moore and Bill Wallace represented the heirs of the late John Morris.

Mrs. Morris, shortly before her death willed her half of the farm to Mrs. Moore. When Mr. Morris died he willed his half of the farm to a brother. Basis in law was found to establish an agreement between Mr. and Mrs. Moore and the late Mr. and Mrs. Morris that if the Moores would care for them they would be compensated. The Court held, in lieu of this understanding that the defendants, heirs of the late John Morris, must pay. The question of the validity of the will made by the late John Morris to his brother, was not raised. Texas laws are rigid on wills and if one is broken it is a rare exception.

Legion Members To Meet Tuesday Night; Plans For Armistice

Members of the American Legion are going to meet Tuesday night, November 1 at the Hut in Wilson-Ledbetter Park, it was announced Monday by John Muse, Post Commander.

Mr. Muse said the main business to be transacted is plans for the annual Armistice Day Dinner here on November 11.

The traditional turkey dinner served every year since 1929 will feature the celebration this year again. Mr. Muse said the post has contracted with Fred Reno at the Milam Coffee Shop to serve the turkey dinner. There will be turkey with all the trimmings and plenty of it for the boys on Armistice day like their turkey plentiful.

All members of the Post are urged to be present at the hut to-morrow night.

Master Sgt. A. J. Daniels and wife of Waco spent several days visiting his mother, Mrs. W. L. Daniels. Sgt. Daniels will be sent to Alaska sometime soon. He has been stationed at the Waco Airport.

Mr. and Mrs. Harry Hughes of Dallas spent the past week end with his mother, Mrs. Marvel Hughes and other relatives and friends.

ANY MAKE RADIO repaired. Call 104. PARMA RADIO SERVICE.

AIR DISASTER—
(Continued from page one)

Bridoux was in a hospital, too weak to give a coherent account of the crash. He said at one point that his radio had been working but that the power had failed.

Among those aboard the airliner were:

Rep. George J. Bates (R-Mass), 58, serving his seventh term as a member of congress.

Helen Kokinson, whose cartoons of plump women have delighted readers of "The New Yorker" magazine.

Cardner W. Taylor, 60, president of the First Savings and Loan association of New York.

Michael J. Kennedy, 52, former Tammany Hall leader and a member of Congress for two terms.

The worst previous crash of a domestic airliner on a regular flight came on May 30, 1947. Fifty-three died then, near Port Deposit, Md. That, too, was an Eastern Airliner.

The Civilian Aeronautics administration gave this account of the crash:

Bridoux was making a test flight in a P-38, a twin-engined fighter plane recently purchased from the U. S.

The impact of the crash was so great that bodies were hurled more than 150 feet. Pieces of clothing hung from trees and bushes. A brief case had been broken open. Its contents were floating on the river.

On the river, too, floated the body of a baby.

Capt. William Lookadoo of Bolling Air Base said:

"The base sent crash boats to the scene. About 1,000 yards out from the shoreline, a man was seen treading water.

"He was sinking."

"The man was pulled into the boat. He identified himself as the pilot of the P-38 and then fainted."

Philip Thompson, a cook at the Statler hotel, was waiting at the airport. Sadly he showed reporters a clipping from a Boston newspaper which told of a little girl winning a prize in a baby show.

The little girl, 18-months-old Maureen, and her mother, Mrs. Martha McCusky, were on board the plane. Mrs. McCusky was Thompson's sister.

"They were coming down to live with me," Thompson said. "I had just bought a home and this was the first time I had ever had plenty of room to take care of them."

Mrs. Grady Walston of Hearne and Mrs. Ewell Walston of Maysfield who have been patients at Newton Memorial Hospital have returned to their homes much improved.

Mrs. Dan Lunsford, Mrs. Maude Mullinix, Misses Billie Mae, Dorothy Jean and Reba Coats attended the Hallowe'en carnival in Milano Thursday night.

Mr. and Mrs. John F. McLane of Houston were in Cameron Wednesday and attended the funeral of Mrs. Cornelia Vogel.

YOEMEN—
(Continued from page one)

ber of Commerce and would be on sale through Wednesday. All unsold tickets must be returned by Thursday to Belton.

At the game Friday night in Belton their new stadium will be dedicated. It will be home coming and one of the largest crowds of the season will be on hand.

In 1947 and in 1948 Cameron was able to defeat Belton with comparative ease. Back in 1939 Belton beat Cameron 20 to 0 and in 1940 it was 19 to 14 in favor of Belton. The tables were turned in 1941 and Cameron won 14 to 0. The close one was in 1942 when Belton won 14 to 13. In 1943 Cameron came back with a 20 to 6 victory and Belton reversed the thing in 1944 by winning 12 to 7 and that is how it was in those years. Belton has not won from Cameron in 4 years. Back in 1945 Cameron won 26 to 6 and in 1946 the Yoemen ran over the Tigers 45 to 6. Again in 1947 the Yoemen won by a wide margin 30 to 6 in Belton and in Cameron in 1948 the Yoemen won 32 to 6.

DENKER—
(Continued from page one)

he engaged in business opening what is known as the Denker Filling Station.

Five years ago, due to failing health, he retired from his business turning it over to his son, Alvin who now operates it. He then took up gardening for a hobby.

In his early youth he joined the Lutheran Church of which he was a member until he moved to Cameron where he joined the Presbyterian Church of which he was a member until his death.

Funeral Services were held from Green Funeral Home and the Presbyterian Church at 3 o'clock, October 31 by Rev. W. R. Hall. Interment was made in Oak Hill Cemetery. Pallbearers were the grandsons of the deceased.

Surviving are his widow, Mrs. E. Denker and the following children; Mrs. M. R. Porkisch of Cameron, Mrs. Ernest Dittmar of Cat Springs, Edwin Denker of Houston, Louis Denker of Cameron, Otto Denker, Harold Denker of Buckholts, Mrs. George Laffere, Alvin Denker Cameron and Arnold Denker of Seguin. Nineteen grand children and 20 great grandchildren also survive. Two grandchildren and one great grand child preceded him in death.

SCHOOL LEADERS—
(Continued from page one)

Austin central authority to over ride decisions made in popular elections, such as redistrictions, etc; that he sought to make the District Attorney a truant officer and sought to make it a felony if a child missed school.

On the other hand, said Mr. Moore, the school leaders are asking the voters to write in the name of Caso March who spoke before the House and Senate committees when the Gilmer-Aikin Bills were being aired, and advocated the following:

1. Keep our present school organization. 2. Keep our present committee system for accrediting high schools. 3. Keep our present plan of voting our own tax rates and local board of equalization and a ceiling of $1.50 tax rate. 4. Keep our present plan of voting on consolidations, etc. 5. Favors enforcing present compulsory attendance laws.

Mr. Moore says the school leaders are apprehensive lest the tax burden fall too heavily upon a few and that the revenue spread should be made to include a tax on natural resources, such as advocated by Mr. March. "The Economic Index makes it possible for those in authority to figure our tax rate without having anything to say about it," declared Mr. Moore. "The deficit each year will be passed on to the local tax payer until the burden becomes unbearable" he said.

Mr. Moore said that if it had not been for the fight made by School Administrators and the friends of local schools and the districts of the several counties, all would have been lost. The fight now is to preserve the community.

$1600 Cars for 15 Thousand Veterans Out Says Truman

WASHINGTON, Oct. 31 — President Truman today killed by pocket veto a bill granting $1,600 automobiles to more than 15,000 veterans of World Wars I and II.

He said the measure was "unsound public policy" and might lead to Government gifts of autos to all disabled veterans.

The bill would have provided up to $1,600 for a car for any veteran of either war who was entitled to compensation for the loss, or loss of use, of one or both hands or feet, or for seriously defective vision.

It would have extended existing law which provides free cars for World War II veterans who lost one or both legs above the ankle, provided they can operate the cars.

Mrs. Roy Hightower is seriously ill at St. Edwrads Hospital.

Rotarians Hear Progress Report On Football Here

Rotarians and their guests enjoyed a progress report on football at Yoe High School Wednesday.

The program was heightened by a mixed body of students singing under Francis Cox. These are the 1949 choral singers at Yoe High School.

Dick Young, line coach, led the program for the football section. Cameron people are feeling an increased interest in the progress of the Yoemen who may be titleward in their 1949 schedule.

E. E. Williford who has scouting chore for the coaching staff, told the Rotarians just what scouting does for a staff and it was very informative.

Coach Paul Smith was apparently very much impressed with the cooperation he is getting and the fine play of the boys whose spirit is rocketing their chances for another title. It was easy to see what the coach meant when he said: "I don't know what one could ask for any better than our progress now, unless it be a state championship."

One thing is stressed, that is the Yoemen are taking on one game at a time. Right now the Belton Tigers is the only team on their schedule.

Dick Young who has a scouting assignment for Harding-Simmons University in the little Southwest Canference, is the Yoemen line coach. Its no secret he is very proud of his boys this year, for they have come through in grand style.

Superintendent W. T. Hanes said Cameron has the best coaching staff in Texas and praised Dick Young as the best line coach in the business.

ESCAPEE—
(Continued from page one)

the two men in Brenham and gave them a ride. They were in Cameron shortly before 9 p. m. As they crossed Elm Creek on Highway 77 the men attacked Tabor, dragged him from the car, beat him and left him for dead. They escaped with his car, boots, clothing and about $20 in money. Tabor regaining consciousness was found on the highway by E. E. Williford, member of the coaching staff at Yoe High School, who was returned to the city. Tabor was reported to be resting well at the hospital and may be discharged during the week.

The car stolen from Tabor, a 1940 Chevrolet, was found on the Lott-Marlin road around noon Wednesday. The car had been abandoned near a store on the highway and was found by Ed Good, owner as he arrived to open his store for the day.

Some bed clothing and personal belongings of Mr. Tabor were found in the car which was in fair condition, but the keys missing. County Attorney Ed Gunn, commenting on the robbery, said it was the most brutal such attack and robbery, he could recall having occured in Milam county.

On Wednesday night the men who beat and robbed Mr. Tabor, are thought to have commited a series of burglaries in Rosebud. Three stores were robbed there and a sum totaling around $90.00 is missing. The men are believed to have been desperate for funds for use in their escape and stopped only a few miles away from the scene of the first robbery to commit three other such offenses.

L. W. Culp and R. S. Culp of Brownwood, half brothers of Mr. Tabor were here Thursday, returning the stolen car to Cameron.
